

## Kou Xiong

Aligned with the vision and mission of Xiong United, Inc., I am committed to strengthening family values, fostering unity and leadership, and preserving our Hmong culture, language, and identity. I believe true strength in unity is built on sustainable trust, open and sincere communication, and a good faith commitment to lifelong learning.

If elected President of Xiong United, Inc. for the 2026–2029 term, I will work tirelessly to ensure that our families continue to honor and uphold our cherished culture and traditions. Together, we will make history by hosting the largest Xiong gathering to date. It will be a 2 to 3 day convention bringing together members of all ages, backgrounds, and walks of life. This event will celebrate our shared heritage and create a powerful space for teaching, inspiring, empowering, learning, and building leadership and community across generations.

With unity as our foundation and through a leadership academy, I believe we can leave a legacy of strength and pride into the future for our Xiong families.
